

## **STATEMENT OF PURPOSE**

### **RS22131C1**

To provide for a negotiations process whereby there is assurance of majority representation, if requested by the local school board; and to provide for majority ratification, confirming good faith activities by both parties, allowing for the orderly operation of district business.

### **FISCAL NOTE**

No fiscal impact to the state while providing financial certainty to individual districts with regard to the largest portion of its budget, in a time frame necessary for the annual budgeting process.
